(verse 1)

I tried so hard to be who you wanted
You tried so hard to be who you're not
And I'm left here cold, and no longer wanting

(chorus)

Scream, Scream Screaming in my head
I'm robbed, robbed, robbed of what's best
I'm punctured, with a hole in my...

(verse 2)

(chorus)

Loud, Loud, Loud like thunder
Scream, Scream Screaming in my head
I'm robbed, robbed, robbed of what's best
I'm punctured, with a hole in my...

(chorus)

Loud, Loud, Loud like thunder
Scream, Scream Screaming in my head
I'm robbed, robbed, robbed of what's best
I'm punctured, with a hole in my chest
